As you are aware, P.L. 2004 C.19, the New Jersey "Local Pay-to-Play Law" went into effect on January 1, 2006. All contracts having a value in excess of $17,500 must be awarded through a "fair and open" process or a "non fair and open" process. If you are not familiar with the law, we would suggest that you review the Guide Book which is downloadable from the Department of Community Affairs website, www.nj.gov/dca/lgs/p2p.

The Borough of Bloomingdale has determined to award professional service contracts through a non-fair and open process. The process called for is consistent with the Local Public Contracts Law in terms of professional service contracts. Moreover, the "non-fair and open" process results in strict adherence to the Pay-to-Play Law, in that, contributions to political committees of elected officials will not be permitted.

Pay to Play

You must comply with three "Pay to Play" laws – one known as "Chapter 19", one known as "Chapter 271", and the Borough's "Pay to Play" ordinance. As a result of these laws, for any contract in excess of $17,500, the contract must be awarded in accordance with certain procedures, depending on whether the Mayor and Council follows the "fair and open" process or the "non-fair

and open" process. This will impact, among other contracts, all of the Borough's contracts with its professionals that exceed $17,500. For 2025, the Borough Council has decided to follow the "non-fair and open" process.

Chapter 19

If awarded a contract, under this statutory "non-fair and open" process, you are not permitted to donate more than $200 to the political party committee, named candidate committee, or joint candidate committee for the members of the Mayor and Council, either during the term of the contract, or for the one year preceding the contract. You will need to sign a "Business Entity Disclosure Certification" (see attached), and specific language would have to be included in the contract and in the resolution awarding the contract. The Business Entity Disclosure Certification must be submitted prior to the contract award.

Chapter 271

Chapter 271 requires that all businesses receiving "non-fair and open" contracts submit a "Chapter 271 Political Contribution Disclosure Form" to the Borough ***no later than 10 days prior to the contract being awarded*** so please have the documentation in as soon as possible. This disclosure is in addition to the Business Entity Disclosure Certification required under Chapter 19. The disclosure must include all reportable contributions made during the twelve month period preceding award of the contract. Attached is the Chapter 271 Political Contribution Disclosure Form, "Contractor Instructions," Stockholder Disclosure Certification, and the list of agencies with elected officials required for political contribution disclosure.

Affirmative Action – Equal Employment Opportunity

In accordance with the State's affirmative action requirements, all professional services contracts must contain specific mandatory Equal Employment Opportunity language (see attached). This language will be appended to your contract. In addition, you must provide evidence of appropriate affirmative action compliance prior to execution of the contract. You must submit one of the following documents:

1. A certificate of Employee Information Report (hereafter "Certificate"), issued in accordance with N.J.A.C. 17:27-1.1, *et seq.* The Certificate represents the review and approval of the vendor's Employee Information Report (Form AA-302) by the New Jersey Division of Contract Compliance (hereafter "the Division"). Or,

2. You must complete an initial Employee Information Report (Form AA-302) and submit it to the Division with a copy to the Borough. Upon submission and review by the Division, this report shall constitute evidence of compliance with the regulations. A copy of the form with instructions is annexed hereto for your use, if needed. Or,

3. Letter of Federal Approval indicating that you are operating under an existing federally approved or sanctioned affirmative action program.

If you have any questions, the New Jersey Division of Contract Compliance website has a lot of information (http://www.state.nj.us/treasury/contract_compliance). Please provide the required evidence of affirmative action compliance at your earliest convenience.

Please forward the completed Business Entity Disclosure Certification, Chapter 271 Political Contribution Disclosure, Stockholder Disclosure Certification forms and evidence of affirmative action compliance which will permit the Mayor and Council to appoint you. Please submit all documents ten days before the contract/appointment is to be done. The Governing Body will be unable to make the appointment if you fail to submit these documents.

Please contact me if you have any questions.

Respectfully,

Breeanna Smith, RMC
Municipal Clerk

Encls.

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of N.J.S.A. 19:44A-20.26. This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract
  - of that county in which that public entity is located
  - of another public entity within that county
  - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $200 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.
