

PEQUANNOCK RIVER CLEANUP

10am Sloan Park
Rain or Shine
Lunch and Prizes!

Saturday, August 20

You can make a difference!

Bloomingtondale Environmental Commission invites you to join us with your friends, family and neighbors at Sloan Park, on Main Street in Bloomingdale for a river cleanup. The work is hard, but very fulfilling- see the difference as we clean our river.

Wear appropriate clothing, no open shoes. Expect to get wet and dirty- that's the fun part! Bring a reusable water bottle, sunscreen, bug spray and hat. This fulfills requirements as a day of Community Service!

All necessary supplies including bags, gloves and pickup sticks. Lunch will also be provided. Prizes for Best Trash, Weirdest Trash, Most Trash and more! Children are welcome, but must be accompanied by an adult at all times.

Advanced registration is preferred, but not required.
