Fossils!

Bloomington Free Public Library

Saturday, April 16 at 11:00AM

In this one-hour hands-on program with Professor Bob Vosatka, children ages 5 and up will:

- **examine 4 million year old fossils using a hand lens**
- **identify fossils using plates and identification charts**

**To register, please visit the circulation desk
or call 973-838-0077.**
