UNITY THROUGH COMMUNITY
ALCOHOL AWARENESS / BASKETBALL EVENT

Bloomingtondale, NJ, March 24, 2014– Bloomingtondale Municipal Drug Alliance will be hosting “Unity through Community” Alcohol Awareness / Basketball event on Wednesday, April 9, 2014 at the Walter T. Bergen School at 6:30pm in the gymnasium. The evening will kick off with a Basketball Event featuring “Bloomingtondale’s Finest” (WTB Teachers, Bloomingtondale Fire, Bloomingtondale Police and Bloomingtondale Town Council players). This year we will show “Unity through Community” as we co-mingle our players in unity instead of playing against each other. A true showing of how a community comes together as one through our event. During half time Bloomingtondale Police Department will be presenting an “Alcohol / Drug Awareness” talk along with an opportunity to participate in activities that will simulate the effects of alcohol. Student attendees that come with their parent(s) the entire family will be admitted FREE. Individual only cost is \$ 2.00 per person.

We guarantee our half time presentation will be an eye opener for all and a great family discussion at your dinner table in the weeks to come. Research proves that openly talking about drugs and alcohol early with your child(ren) and throughout their life will lead to better outcomes for your child(ren). Doing this as a family is a win win situation all around !
