### ABOUT HI4Y

Hands In 4 Youth is a private 501(c)3 non-profit organization founded in 1924 by a group of teachers, social workers, and business people to provide enriching summer camp experiences to deserving young people from diverse communities. In 1954 we moved to West Milford to run sleepaway and day camp programs in a 200-acre natural camp setting to engage youth ages 6 to 17 in safe, structured and fun-learning activities.

**We are seeking nurses, emergency medical technicians, a bike mechanic, maintenance manager, and specially trained people for biking, rock climbing, education, recreation, and the arts.** All candidates must demonstrate a desire to work with young people in a rustic camp setting. The hours are long but the experience is rewarding as you will be helping kids experience an unforgettable summer that will also enrich your life and career.
