

Tell us what is IMPORTANT to YOU!

Come join the discussion about "Where we are now" and "Where we are headed."

Please join Together North Jersey, Passaic County, William Paterson University Center for Continuing and Professional Education, and the NJTPA for a public workshop to gather input for the plans that will shape the future of North Jersey.

This workshop gives you the opportunity to share your ideas about planning for the future to build stronger communities and local and regional economies with better access to transportation, housing, jobs, educational, cultural, and recreational opportunities.
